Tradebe is scheduled to submit a response for the information we have requested by the end of February.

And HQ asked us whether we can talk to IDEM for a possible delay of the draft permit issuance until the determination of the exemption issue.

I briefed this to our management.

Gary Victorine and Mary Setnicar might want to have a call with Craig Schroer of this issue.

I am tentatively planning to issue Tradebe's Draft Permit Renewal by the end of February 2017. I will let you know if we are significantly delayed.

Thanks,
